MEMORANDUM FOR:
Information Review Officer, DDI

STAT

FROM : J. Kenneth McDonald
Chief, DCI History Staff

SUBJECT : Revision of Previous Requests for Review and Release of CIA Documents to Department of State Historian

1. Dr. Edward Keefer, an official historian from the Department of State, visited our office last week and selected the following document from our copies of 5 Johnson Library documents that we have already sent to you for review with our memorandum of 26 October 1983:

HS/LBJ/ld, 30 Sep 63, (TS)

2. Since Dr. Keefer now wishes access only to the document listed above, I have enclosed a copy of the covering memorandum with this document circled. As far as we know, there is now no need to review the other documents sent to you with the above noted covering memoranda.

3. I would be grateful if you would review the document noted in paragraph 1 and decide whether it can be released (at its present classification, unless you wish to sanitize or downgrade it) to the Department of State for Dr. Keefer's use in preparing a Vietnam War volume of the official Foreign Relations of the United States series.

4. Dr. Keefer and the Department of State have agreed to the attached "CIA Records Access Policy," which requires further CIA review before any of the classified material you may now release to them can be declassified, downgraded, or published.

5. Would you please return this document with your determination to the DCI History Staff, Room 316 Ames.

J. Kenneth McDonald
